

Title: CHSS OUTSTANDING RESEARCH AND CREATIVE ACTIVITY AWARD

Purpose: The CHSS Outstanding Research and Creative Activity Award is designed to encourage, reward, and publicly acknowledge sustained excellence in research and creative activity by members of the College's faculty. The award recognizes excellence in the publication of scholarly work, in the completion of research and sponsored projects, and in the development of new and innovative ideas in research and creative activities.

Eligibility: The nomination pool for this award will be comprised of the faculty members who were chosen that year for their department-level Outstanding Research and Creative Activity Award. Only one nominee per department is permitted in a given year. Any full-time permanent faculty member with a minimum of two consecutive years of service at KSU is eligible to apply for this award at the department level. College award winners are eligible to reapply once every five years. The award recipient must be under contract at KSU when the award is presented.

Recognition: A plaque and a one-course workload adjustment to be taken the following fall or spring as determined by awardee in conversation with her/his department chair(s).

Number and Frequency of Awards: One award may be presented annually. However, if there is a lack of outstanding candidates, an award may not be granted.

Award Criteria: The candidate must demonstrate a sustained record of research or creative activity and an impact on her/his field of study. The College Faculty Awards Committee will look for originality, creativity, productivity, and for an outstanding body of scholarly or creative activities that has gained national and international recognition. Factors to be considered will also include the scope and difficulty of the research/creative activity, degree of innovation and independent thought, development of new ideas, techniques, and methodology, and the significance of the candidate's research to her/his field. Committee will also evaluate the continued active involvement of the nominee and the promise of future accomplishments.
